April 29th 2022 no.26

Dear Parents and Carers,

It has been a busy week. The choir went to the O2 for Young Voices 22. It was a very late evening for the children as they didn't get back until nearly 11pm but the staff were amazed at how fantastic it sounded with 8000 children all singing together and our choir were fantastically well behaved.

Please note, there are some additions to the diary overleaf. We are now in a position to hold our termly parent sharing assemblies. We cannot wait for you to see all the fantastic learning that has taken place over this academic year.

Please be advised that Thurrock catering have informed us that the dinner menu for the first day back (Tuesday 3rd May) will be Monday's choices instead of Tuesdays. Wednesday will be back to normal.

Finally, please remember to send your child into school with a coat, as we have seen this week that the weather can be very changeable.

Mrs Bray

Congratulations! Well done for their effort and resilience

A reminder that each week a pupil is selected by the class teacher as a star learner, possibly a pupil who has demonstrated the Co-op values across the week in their learning and been a positive role model to the other pupils in the class.

Sports News

Congratulations to our Year 5/6 Netball team who came second in their Netball Rally last week. It was an amazing performance and the children should be very proud of themselves.

Congratulations to our Year 3 boys and girls cross country team who won the Thurrock cross country event. They represented Thurrock really well at the Essex competition during the week. Also, a special mention to Keiaan Daniel who also represented the school in the cross country competition as an individual. He performed superbly in the Essex race.

Parent Conduct

This week there have been multiple occasions where parents/carers have had to be reminded about their conduct on school grounds. Please ensure that conduct yourself in a manner that enables our staff and pupils are able to flourish, progress and achieve in an atmosphere of mutual understanding.

The school expects parents and carers to:

- Respect the caring ethos of the school
- Understand that parents and teachers need to work together for the benefit of children
- Approach school staff calmly to help resolve issues
- Work with the school to build relationships with its staff

In order to support a peaceful and safe school environment the school does not tolerate:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, office or other area of school grounds.
- Loud or offensive language, swearing, cursing or displaying temper
- Threatening to do actual bodily harm to a member of school staff, governor, visitor, or pupil
- Damaging or destroying school property
- Sending abusive or threatening emails, text/voicemail/phone messages or other written communication
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff at the school on social media sites

If any of these behaviours occur the school may contact the appropriate authorities and, if necessary, ban the offending adult from entering school grounds.

Happening in school this week.....

Year 3

Our new topic is called Scrumdiddlyumptious and it is all about food! We used the skills of crunching, mixing, stirring, squeezing and scooping to create our very own cheesecakes.

Year 6

In music this week, Miss Spradbery's class worked hard to see if they could remember their guitar skills from year 5. They also spent their science lesson dissecting and eye to see that is inside.

Year 5

Year 5 had a lovely afternoon experimenting with centripetal force in science.

The Choir

The KS2 choir had a great time at the O2 for the Young Voices 22 concert!

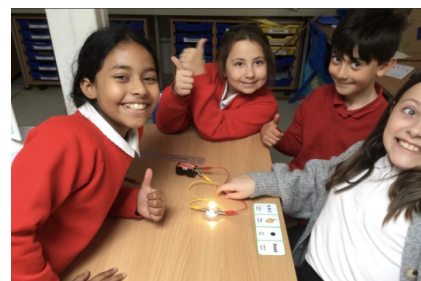

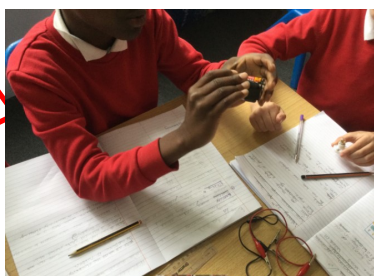

Year 1

Year 1 have been exploring and comparing examples of art with an animal theme.

Year 4

In Year 4 we have been making circuits as part of our electricity topic in Science. We learned about complete and simple circuits, as well as different equipment used.
